Dramatic Gain Indicated In U.S. Payments Balance

U.S. BALANCE OF PAYMENTS

Partly because of the new system of floating currency exchange rates and partly because of some real improvement, two measures of the United States balance of international payments showed dramatic improvement in the second quarter of this year, the Commerce Department reported today.

Ying Ying, a panda at a Hong Kong theme park, has given birth to twins that were conceived naturally, a cause for celebration for conservationists rooting for the survival of this vulnerable and low-libido species.

Ying Ying delivered the cubs one day before turning 19, making her the oldest giant panda on record to give birth for the first time, according to Ocean Park, the animal theme park where she lives. The cubs are also the first to be born in the city.

Paulo Pong, the chairman of Ocean Park Corporation, said that the births were “thrilling news” and a rarity, given Ying Ying’s advanced age. (Pandas in captivity can live to around 30, but 14 to 20 is more typical in the wild.)

Most of the American public got its first good look at Gov. Tim Walz last week [at a rally](#) in Philadelphia alongside Vice President Kamala Harris, who had that day [announced him as her running mate](#). At the end of his speech, the nation also got its first glimpse of the woman to whom he has been married for 30 years.

上週，在費城舉行的一次[集會](#)上，州長蒂姆·沃爾茲和副總統賀錦麗並肩出席，這也是大多數美國公眾第一次仔細端詳他。當天，賀錦麗宣[布沃爾茲為自己的競選夥伴](#)，在他的演講結束時，全國人民也第一次仔細端詳他結婚30年的女人。

As Ms. Walz enters the national stage, critics on the right are already trying to portray her — as they have with her husband — as a left-wing radical who countenanced the civil unrest in her state after the death George Floyd. But at home in Minnesota, where she has spent most of her life, friends and political observers describe her as the coolheaded and ultracompetent counterpart to a man known for an intuitive and charismatic political style.

在蒂姆·沃爾茲遇上全國舞台的同時，右翼的批評者試圖把她描繪成一個激進分子——就像他們對她丈夫所做的那樣——在喬治·弗洛伊德去世後支持本州的內亂。但在她度過了大半生的明尼蘇達州家中，朋友和政治觀察人士形容她是一個頭腦冷靜、能力超群的人，而她的丈夫則以直覺敏銳和富有魅力的政治風格著稱。
